Mr. Lawrence Houston  
General Counsel  
Central Intelligence Agency  
Washington, D. C.

Dear Larry:

You will recall a meeting we had about a year ago, concerning a photograph which constituted [ ] to the Warren Commission. At the time, I did not insist on having a copy of the uncropped picture; however, if my memory is correct, you said that you would make a good copy available without resort to the Freedom of Information Act. STAT

Since that time, the significance of the individual in the picture has greatly increased; further, we are led to believe that the agency has additional photographs of the same individual taken under different circumstances. We would like to make a formal request herewith for a good, clear, uncropped copy of each photograph that the Agency has of this individual. We would also appreciate any supplementary information relating to the individual and the circumstances of each photograph but do not insist thereupon.

Hoping that you will be able to comply with this request without our having to resort to court action, I remain

Sincerely yours,

Bernard Fensterwald, Jr.
